

¿How to Create a Particular or Company Account?

On TN-TOOLS you can create your personal or company account to be able to make your orders quickly and effectively.

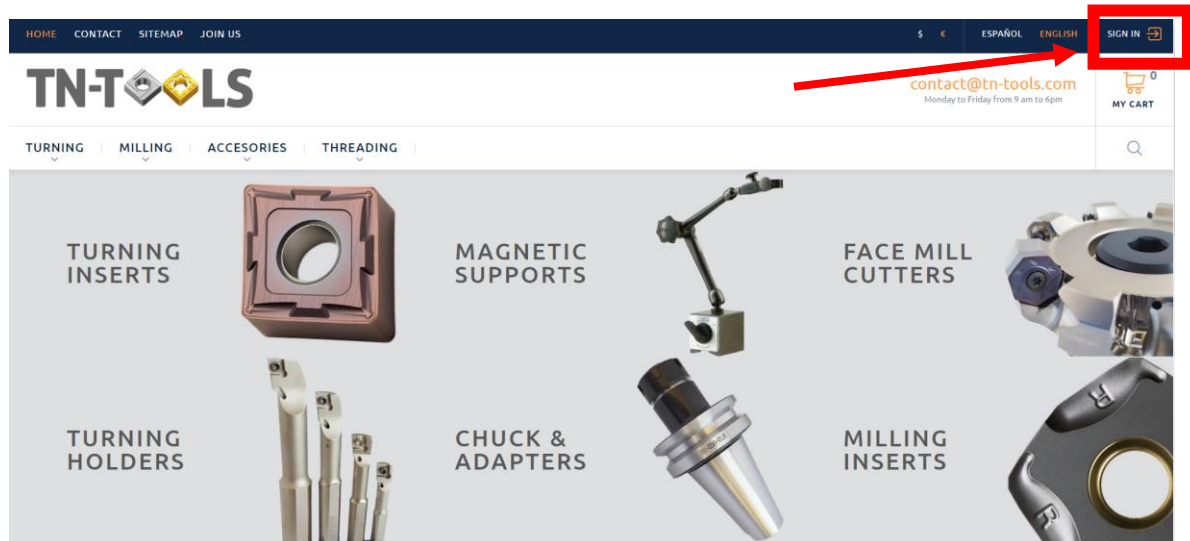

It has numerous **advantages**:

- ✓ **Streamline the purchase process**, since you will not have to retype your addresses in each order
- ✓ **Manage your orders better**, since you can see the situation in real time of each order, download your invoices, re-order the same material with just a few clicks, etc.
- ✓ **Add or modify your addresses**, both for your shipments and for your invoices.

Below you will see how to create a **particular / company** account on TN-TOOLS ...

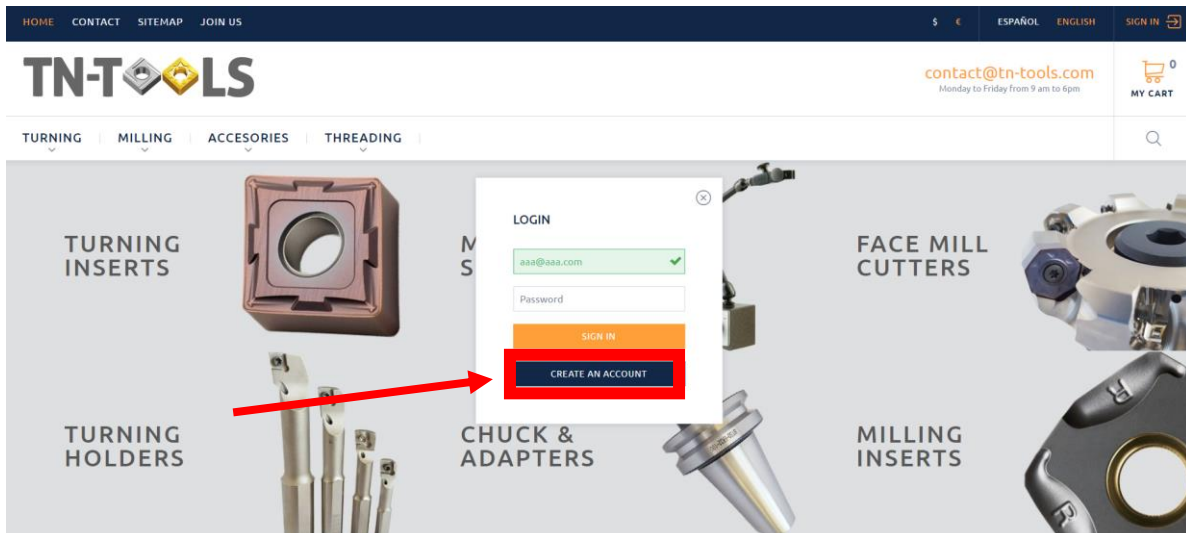

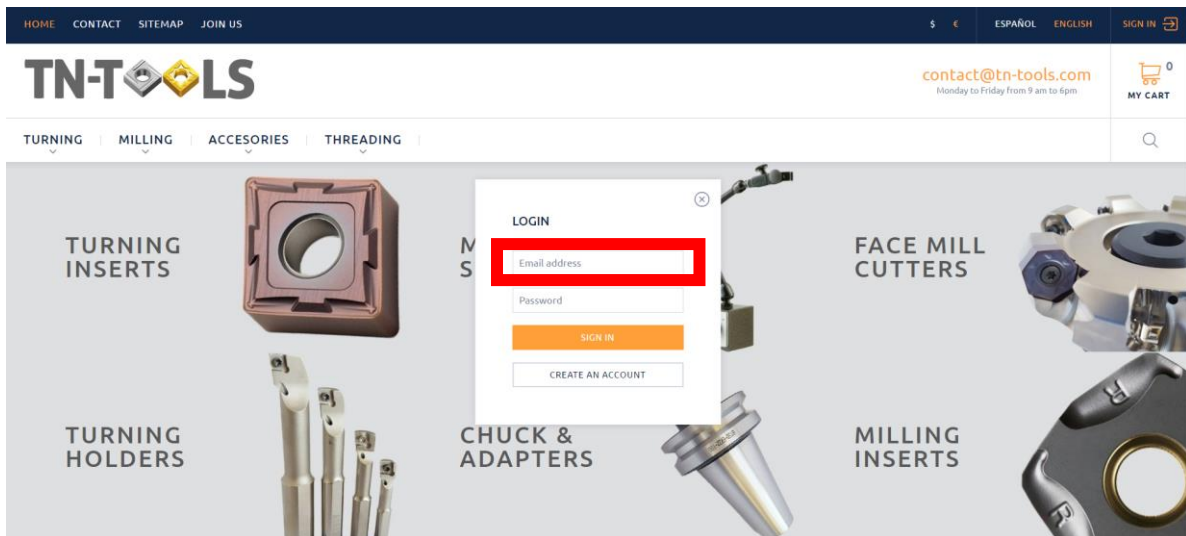

1. SIGN IN

On the right top of the website, click on the button **Sign In**

2. CREATE AN ACCOUNT

Once you have already clicked on **Sign In**, you only have to introduce **e-mail** on the first field and click **Create an account**

3. ¿Do you are PARTICULAR or COMPANY?

On our register form you have the option to Log In both as **particular** either **company**
